

STRUGGLING TO COLLECT PAYMENTS ON TIME?

Let AI Call, Remind & Recover — Automatically.
Our AI Payment Collection Calling Solution helps African businesses recover dues faster, smarter, and at lower cost.

- **High Cost of Human Call Agents**
Up to 70% cheaper than manual call centers.
- **Clients Ignore Calls & Messages**
AI makes professional, human-like calls that customers actually answer.
- **Too Many Customers, Too Few Staff**
AI can call 1,000 to 100,000 customers without adding staff.
- **Manual Follow-Ups Are Time-Consuming**
Automated calls + instant SMS/WhatsApp reminders after every call.
- **No Clear Record of Who Paid or Promised**
Real-time dashboard with Paid, Will Pay, Call Back, Dispute status.
- **Inconsistent & Unprofessional Calling**
Pre-approved, polite, and compliant AI scripts—same quality every call.
- **Customers Ask for Details Again & Again**
AI answers questions, gives payment details, and handles disputes.
